

PHY 116: Engineering Graphics 2 Spring 2018

Tuesdays 6-8 PM in Ruby Jones 6 (unless otherwise announced)

Course description: This is the second part of a two-semester course that focuses on engineering drawing & design. A requirement for enrolling in this course is satisfactory completion of PHY 115 “Engineering Graphics I.” This class will be similar in many ways to the first semester, but we will deal with slightly more advanced topics, for example simulations and assembly drawings. The majority of the class will focus on working with the Solidworks CAD software.

Instructor: Dr. Robert Thornton

Office: Merion 129

Office Phone: 610-436-2614

E-mail: rthornton@wcupa.edu

Office hours: TuTh 10:00-11:30 AM; office hours also available by appointment

Textbooks (required):

Engineering Graphics Essentials by K. Plantenberg, (5th ed), SDC publications.

Engineering & Computer Graphics Workbook Using Solidworks 2016 by Barr, Krueger, Juricic, and Aanstoos.

Required course materials (to be brought to every class):

- Blank engineering (gridded) paper, pencil, eraser, ruler.
- A storage device, such as a USB flash drive or cloud drive
- All of the solidworks parts you made last semester!!

Course Web page: Most of the necessary course documents (syllabus, homework assignments, solutions, etc.) will be posted on D2L. Remote access to Solidworks is available at <http://ramcloud.wcupa.edu>.

Grading:

Quiz 1: 25%; Quiz 2: 25%

Homework: 25%

Design Project: 25%

Attendance: Since the course only meets once a week, attendance is crucial. Attendance will be taken at each lecture. If you are not there for the *entire* lecture, you will be marked absent. One unexcused absence is allowed. After you miss more than one with no excuse, each additional unexcused absence will result in your course grade going down 1/3 of a letter grade (e.g., B to B-). If you have good reason to miss class, your absence will be considered an excused absence and will not lower your grade. Excused absences are limited to those due to participation in university sanction events (see policy in the WCU undergraduate catalog) or those accompanied by written confirmation from a doctor, the Dean of Students, etc. An unexcused absence on the day of a quiz or exam will result of a grade of zero for that quiz or exam. Finally, whether your absence is excused or unexcused (or if you are late to class), you will be responsible for any material covered and any announcements that were made in class that day.

Homework: There will be weekly assignments over the majority of the semester. Most of these assignments will be done individually by all students. After the design projects have started, assignments will be done as groups and will therefore be more subjective. Assignments are due at the beginning of class on the specified due date. Because of the unique structure of this class, no late assignments will be accepted unless you have already made a prior arrangement with me.

Tentative list of topics covered:

- Advanced SW part modeling
- Threads & Fasteners
- Assembly drawings
- High resolution rendering with PhotoWorks
- Drafting standards (review) & part drawings on Solidworks
- Simulation & Motion studies
- Design projects

Reporting Incidents of Sexual Violence: West Chester University and its faculty are committed to assuring a safe and productive educational environment for all students. In order to meet this commitment and to comply with Title IX of the Education Amendments of 1972 and guidance from the Office for Civil Rights, the University requires faculty members to report incidents of sexual violence shared by students to the University's Title IX Coordinator, Ms. Lynn Klingensmith. The only exceptions to the faculty member's reporting obligation are when incidents of sexual violence are communicated by a student during a classroom discussion, in a writing assignment for a class, or as part of a University-approved research project. Faculty members are obligated to report sexual violence or any other abuse of a student who was, or is, a child (a person under 18 years of age) when the abuse allegedly occurred to the person designated in the University protection of minors policy. Information regarding the reporting of sexual violence and the resources that are available to victims of sexual violence is set forth at the webpage for the Office of Social Equity at <http://www.wcupa.edu/admin/social.equity/>.
