

Advising Sheet

Minor in Global Studies

18 credits

Global Studies focuses on globally shared issues and on the enrichment and expansion of international education among students. The minor provides students with the opportunity to study international affairs from a variety of disciplinary perspectives and provides a vehicle or pathway for students to engage in the study of global issues, become global citizens, and further develop their understanding of the global system.. More directly, the minor prepares students to engage in and solve the problems confronting a global society.

Why Global Studies?

1. Be prepared for an internationally focused career and profession!
2. Study Abroad and earn credit towards the minor!
3. Works well with other academic majors and minors!
