WCU PsyD Program Applicant Policy

CMHS is staffed by WCU students enrolled in the Clinical Psychology doctoral program (PsyD Program). These students are under the supervision of WCU Clinical Psychology faculty members. If you receive services at CMHS and are interested in pursuing a graduate degree in clinical psychology, you should be aware that PsyD faculty are unable to consider your application for the WCU PsyD Program. The potential for multiple relationships arising is inevitable and in accordance with APA Ethics Code (STANDARD 3.05 MULTIPLE RELATIONSHIPS; <https://www.apa.org/ethics/code/>) to which our graduate students and faculty adhere, we are unable to consider your application to the WCU PsyD Program.

This policy applies to WCU students, WCU alumni, or community members who are currently receiving, or within the last five years have received psychological services (psychotherapy or testing/assessment) at CMHS.
