

WCU 2015 Summer Study Abroad in Rwanda

West Chester University is proud to announce its second summer study abroad to "The Land of a Thousand Hills" Rwanda, East Africa! Students on this unique trip will have the opportunity to:

- Visit four of Rwanda's National Parks.
- Get up close and personal with over 10 species of primates including mountain gorillas and chimpanzees.
- Learn how to make behavioral observations of primates in the wild.
- Explore the history and culture of Rwanda.
- Hike to scenic waterfalls, take in views from a 160-foot canopy walk, and view wildlife during day and night game drives.
- Earn course credit for this trip.
