

Ground Rules for Class Discussions/Active Participation:

- Come to class prepared
- Be Respectful
- There are no “stupid questions!” Always feel free to ask questions and engage with any question that arises in the class.
- All members of the class are expected to participate in the various aspects of the class and class room experiences.
- Discuss undiscussable issues
- Maintain confidentiality through information shared within and outside of the class
- Keep the discussions focused
- Disagree openly with any member of the class
- Share all relative information when sharing information
- Test your assumptions and inferences
- Avoid using generalizations
