

## Student Attestation Regarding Criminal History and Child Abuse Clearances

I, \_\_\_\_\_, a student at West Chester University (“University”), have requested a practicum experience (the “placement”) at a location operated by \_\_\_\_\_ (“Site”).

I understand and acknowledge the following:

- My placement at the Site is made pursuant to and in accordance with a legally binding written agreement between the University and the Site (the “Agreement”), a copy of which is available for me to review.
- This Agreement requires me to obtain a Pennsylvania Criminal History Report and a Child Abuse Clearance prior to being permitted to participate in the placement at the Site.

Because of the foregoing, I attest and affirm that I will obtain a Pennsylvania Criminal History Report and a Child Abuse Clearance prior to the start of my placement. Upon request, I will share these documents with the Site. The Site will make the determination as to whether I may participate in the Program at the Site if I have anything other than “No Record” on any clearance or background check.

I understand that if I do not complete these requirements or if I am removed from my placement at the Site, I may not be able to complete the academic requirements for my academic program. If I cannot complete the academic requirements of my academic program, my progress through the program may be delayed.
